Attn: Andre Le Roux - CHAIRMAN, SPORT SKYDIVERS ASSOCIATION
Ref: South African SkyDiving Nationals 2011 Bid Document
1st December 2010

Dear Andre

Please find herewith the SkyDive Rustenburg bid document for the Combined PASA 2011 Nationals to be held at Rustenburg SkyDiving Club over the period 02 to 06 May 2011 (to be finalised per overall suitability for all concerned).

This bid includes all recognized Skydiving Disciplines (as defined by the SSA), including Atmo but does not include CP (Canopy Piloting) as SkyDive Rustenburg does not have the required facility to support CP. This bid also does not include Freefall Style & Accuracy Landing at this time due to specific judging and equipment requirements however SkyDive Rustenburg will consider inclusion should competitor numbers and event logistics allow for its inclusion – to be discussed with SSA.

We thank you for the SSA's consideration of the PASA Combined National 2011 at SkyDive Rustenburg and assure you of all possible cooperation and support from the Committee, Staff and Operators of SkyDive Rustenburg and the Atlas Angel Trust over that period.

Best Regards

Graham Field
