TT: How did you get into 4-way competition?

CR: My first cat II jump with Jaco Bekker - I loved FS. First Nationals was in 1994. We formed a junior team called Team FX (with Troy Marais, Trevor Clark, Jaco Bekker).

TT: Have you always jumped the same slot?

CR: I have always jumped inside centre.

TT: Who has inspired you most?

CR: Solly Williams and Gary Smith - it was a highlight seeing them taking gold in (World Meet) Croatia 2004.

TT: Family?

CR: I would have been able to achieve all this if is was not for the incredible support of my family. I met Karen just before my first World Cup in 1998 and Cole was born in October 2001.

TT: Is there one Nationals competition that stands out in your mind over the others?

CR: Has to be 2005 in Margate - we had lost Thiago Muradas 6 days before Nationals was to start. Work commitments required him to leave the country right away. Julian Boulle (an exceptionally talented jumper) agreed to help out. We achieved our team goal by finishing on a 15.2 average. To add to this round ten was my 3000th jump. The team - Vana Parker, Dave Sumter, Julian Boulle, Sam Bester (camera).

I have been very fortunate to jump on teams with some of the best in SA. A special thanks need to go to Dennis Parker, Brett Shaw and Vana Parker for their financial support in the Project
